HELPING  
YOU TO STAY  
DRUG-FREE

## THE WIRRAL AFTERCARE PROJECT

The Wirral Aftercare Project is an innovative, multi-agency initiative, which works with those individuals who have become drug free, helping them to sustain their drug-free status.

## OUR AIM IS

- To develop an individual package of support based on individual need
- To help individuals gain greater self confidence
  - To develop new skills
  - To enable individuals to plan and sustain a healthier, drug-free lifestyle

## THE AFTERCARE SERVICE PROVIDES

- One to One support
- Relapse prevention
- Complementary therapies
- Information, advice & guidance
- Education/training opportunities
- Employment & volunteering opportunities
- Mentor advice & support
- Support with housing & welfare benefits
- Activities outside of office hours

## THE AFTERCARE SERVICE CAN HELP YOU TO

- Live a drug-free life
- Gain self confidence
- Find employment
- Develop safer drinking habits
- Learn new skills through training
- Get a qualification

## CRITERIA

Those individuals considered to be suitable for the Aftercare Service will be one of the following:

- Drug Free
  - Within one month of leaving mainstream rehabilitation/detoxification treatment services
  - Within one and one and a half months of completing a home detoxification programme
  - Considered to be ready for Re-Entry phase of rehabilitation programmes by their keyworkers
  - Completing a custodial sentence

And will have a Wirral address.
